# ABOUT US

---

Anay Premium Stone is based in Rajasthan, India – the heart of India’s natural sandstone industry. We specialize in sourcing and supplying premium sandstone renowned for its strength, timeless appeal, and natural finish. With full control over the entire process through our own mines and in-house processing facility, we ensure consistent quality, precise finishing, and a reliable supply for projects worldwide.

# OUR VISION

---

To establish ANAY PREMIUM STONE as a globally trusted premium sandstone brand, delivering consistent quality, reliable supply, and durable natural stone solutions for architectural and construction projects worldwide. We aim to be a dependable partner for architects, builders, and importers by combining natural strength, precision processing, and lasting architectural value, while upholding ethical quarrying and responsible business practices.

# DHOLPUR BEIGE SANDSTONE

Dholpur Beige Sandstone is a classic and durable natural stone, admired for its soft beige tone and fine, uniform grain. Sourced from the renowned sandstone quarries of Rajasthan, India, this stone offers a perfect balance of elegance, strength, and long-lasting performance.

# DHOLPUR RED SANDSTONE

Dholpur Red Sandstone is a classic natural stone distinguished by its rich red hue and fine, uniform grain. Sourced from the renowned sandstone quarries of Rajasthan, India, this stone is known for its exceptional strength, durability, and timeless architectural appeal.

# BANSI PAHARPUR PINK SANDSTONE

A refined sandstone defined by soft rose undertones and uniform texture.

Ideal for heritage façades, luxury residences, and architecturally detailed exteriors.
